**DISCUSSION ITEMS-**

**1. Finalize Design Details for the Downtown Streetscape Improvement & Concept Black Replication Project**  
Scot Wrighton, City Manager, presented this item to the Council explaining the project is now being funded by a grant, so we need to finalize the plan and move forward to get bids out for a start date in early spring.

- a. Hanging Baskets Design - The Council agreed that the design and use of hanging baskets in the concept block was appropriate.
- b. Wayfinding Signs in the CBD – The Council asked that two bids go out on each sheet.

  - 2. Single pole w frame.
- c. Brick Pattern for Placement in the Ribbon – The Council decided on the herringbone design with a blue ceramic brick every 5 foot.

All submissions for the design plan must be submitted by November 1, 2018. It will be two years from the date the grant is awarded to complete the project.

**2. Designation of Honorary Street Names**  
Wrighton presented this item to the Council with a drafted ordinance for them to consider using for designating honorary street names. After discussion council members agreed the ordinance was appropriate as is.
