AUTHORIZATION (Please read carefully)

I hereby authorize the City of Streator to electronically transfer funds monthly from my bank account for my sewer/garbage bill account for the total amount due. I agree to maintain sufficient clear funds in my deposit accounts to cover these electronic transfers. In the event that an electronic transfer is not possible because of insufficient funds in my account, I understand that it will be my responsibility to make up the payment and I may be charged a non-sufficient (NSF) fee and the late payment fee.

The authority for the electronic transfers will remain in full force and effect until the City of Streator has written notification from me of its termination in such time and in such manner as to afford the City and Depository a reasonable opportunity to act on it.

Please Note: Electronic transfers from your account will begin the 15th of the following month after receipt of your application. (Example: City receipt February, transfer will be in March.)
