Scot Wrighton, City Manager gave an introduction regarding the budget process. Following Wrighton's introduction, each department head reviewed their budget with Council

Councilman Brozak suggested that the \$1,000.00 stipend paid to each Councilmember for their role on the Liquor Commission be removed. If Council agreed to remove their compensation for being on the board, it would result in a \$4,000.00 reduction to line item 22-10-601.00. It was the consensus of the Council to present an amendment to the Municipal Code reflecting this change at the meeting on November 19th.

Following the Council's review of the budget, Wrighton stated that the final budget would be submitted to the Council for a public hearing at a Committee of the Whole Meeting and for adoption at the December 21, 2016 meeting.
